## **DECLARATION**

1. I have read and furnished the above details regarding the student being admitted to the institution and they are true to the best of my information and belief.
2. I have read the rules and regulations of the institution and agree to abide by them with whatever changes periodically implemented from time to time.
3. I am aware that fee once paid to the school for admission will not be refunded.
4. The student attending the school should be hale and hearty and should not be suffering from any infectious/ congenital disease while attending the school. In case of occurrence of any ailment during school terms, the parents will promptly inform the concerned teachers and keep the student absent during ailment.
5. During the course of studies, several toys, educational tools, apparatus and equipment are provided to the children. Though all the care is taken regarding maintenance of international quality and safety standards of equipment and material is taken, the school holds no responsibility of any injury or accidental hazard occurred to the student. The parents/guardians render the school free from any liability whatsoever arising due to the reasons beyond general control of the school management.
6. Children will be taken for field trips. Utmost care would be taken by the staff but school is not responsible for anything happening to the child.
